

# JOIN OUR TEAM

## CULTURE AND VALUES

We believe in transparency for team members and patient care. We are committed to providing an environment that is collaborative, exciting, and rewarding.

## INDEPENDENTLY OWNED

We value the voice, success, and happiness of every member in our team of independently owned hospitals. We support each team member through regular communication.

## IN THEIR OWN WORDS

“There are a lot of people here that are willing to share their knowledge and teach you to be better at what you are doing. I have had a very good mentoring experience here.”

Pam Etchegoyen, DVM

## THE RIGHT FIT

We are passionate about the services we provide to our clients and patients. We are a perfect home for someone who understands the bond between pets and their families, enjoys working as a team, and appreciates a fun environment.

## OUR COMMUNITY

Sylvan Veterinary Hospital is well-respected in the veterinary community. We maintain an outstanding reputation for our service to both pets and people.

## CONFIDENTIALITY

Confidentiality is guaranteed.

## MENTORSHIP

Learning, growing, and professional development are the cornerstones of a happy, healthy workplace. Our hospitals are equipped with tenured doctors and staff that are excited to work together and provide the best care for our patients.

## BENEFITS AND COMPENSATION

We offer a competitive compensation and benefits package that includes 401k with match. In order to ensure a healthy work-life balance, we encourage our team members to fully utilize their vacation time.

## IN THEIR OWN WORDS

“I really enjoy the people that I work with, I've never worked at a vet facility where people care so much about the health and wellbeing of our patients and clients.”

Sara Olsen, VT
